

**33 fish species that use rockweed
in the Gulf of Maine**

(Juvenile Pollock; R. Rangeley)

SPECIES NAME	COMMON NAME
<i>Gasterosteus aculeatus</i>	3-spine stickleback
<i>Alosa pseudoharengus</i>	Alewife
<i>Anguilla rostrata</i>	American eel
<i>Ammodytes americanus</i>	American sand lance
<i>Gadus morhua</i>	Atlantic cod
<i>Clupea harengus</i>	Atlantic herring
<i>Scomber scombrus</i>	Atlantic mackerel
<i>Salmo salar</i>	Atlantic salmon
<i>Liparis atlanticus</i>	Atlantic seasnail
<i>Menidia menidia</i>	Atlantic silverside
<i>Microgadus tomcod</i>	Atlantic tomcod
<i>Gasterosteus wheatlandi</i>	Blackspotted stickleback
<i>Tautoglabrus adspersus</i>	Cunner
<i>Squalus acanthias</i>	Dogfish
<i>Apeltes quadracus</i>	Fourspine stickleback
<i>Myoxocephalus aeneus</i>	Grubby
<i>Myoxocephalus octodecemspinosus</i>	Longhorn sculpin
<i>Cyclopterus lumpus</i>	Lumpfish
<i>Fundulus heteroclitis</i>	Mummichog
<i>Pungitius pungitius</i>	Ninespine stickleback
<i>Syngnathus fuscus</i>	Northern pipefish
<i>Macrozoarces americanus</i>	Ocean pout
<i>Pollachius virens</i>	Pollock
<i>Ulvaria subbifurcata</i>	Radiated shanny
<i>Osmerus mordax</i>	Rainbow smelt
<i>Pholis fasciata</i>	Rock Gunnel
<i>Pholis gunnellus</i>	Rock gunnel
<i>Hemitripterus americanus</i>	Sea Raven
<i>Myoxocephalus scorpius</i>	Shorthorn sculpin
<i>Merluccius bilinearis</i>	Silver hake
<i>Raja radiata</i>	Thorny skate
<i>Urophycis tenuis</i>	White hake
<i>Pseudopleuronectes americanus</i>	Winter flounder
